

The 2nd Forum on Asian Industrial Heritage Conservation “Cultural Preservation and Practice of World Railways and Alishan Forest Railway”

Admission Information

1. Background and Purposes:

In order to continue the spirits of “Taipei Declaration on Asian Industrial Heritage” issued at The 15th Session of The International Committee for The Conservation of The Industrial Heritage (TICCIH) in 2012, which states “recognize the importance of transnational and regional industrial heritage and the future Asian regional cooperation to promote the preservation of industrial heritage is critical”, MOC established “Asian Network of Industrial Heritage (ANIH)” in March 2018, and held the first international preparatory meeting on May 31, 2018, and agreed to take “railway” as the theme to promote preservation of Asian industrial cultural heritage in 2019.

In July 2019, “Alishan Forest Railway and Cultural Heritage Office”, established by Forest Bureau, COA, Executive Yuan, will celebrate its first anniversary. The international railways were invited to Taiwan to exchange experience in railway transportation, management and marketing. The forum was co-organized by the Bureau of Cultural Heritage, MOC and Forestry Bureau, COA, hoping to exchange experiences on the preservation and activation of international railway heritage and establish a network of cooperation.
